**Meet the first two Smile of a Lifetime Patients!**

Fry Orthodontic Specialists is proud to partner with the **Smile for a Lifetime Foundation** and so pleased to share our excitement as the first two qualified patients begin their orthodontic treatment.

You'll want to check out the blog entries and TV coverage about these two great kids and follow along on Dr. Jeremy's Blog as they progress through treatment.

**Smile for a Lifetime** is a non-profit organization dedicated to providing orthodontic and dental care to children who otherwise may not be able to afford treatment. The mutual goal, of the 37 local chapters across the United States, is to change the lives of children by providing them with a healthy and beautiful smile.

If you, or someone you know, deserves the gift of a smile, please visit our website for more information about this great organization and the **Smile for a Lifetime Application**.

**Join us for the TeamSmile Event at Arrowhead Stadium!**

On

**Saturday, November 21st** the Kansas City Chiefs will partner together with Dr. Jeremy Fry and other local dentists from **TeamSmile**. These dental professionals, along with many volunteers, will help provide Free Dental Health Education, Screenings and Treatment at Arrowhead Stadium for children from the Kansas City area.

Many volunteers are needed to make this event a success and to provide the necessary dental care for so many deserving children. If you would like to volunteer we've included information on signing up in this email.

***We hope you can join us for a special day of Smiling at the Stadium!***
