2010 Award for Excellence in Patient Satisfaction

- We wanted to thank the many of you who have entered positive comments and reviews online, in blogs and on social networks.

Your input helped Fry Orthodontic Specialists be selected as a 2010 Winner of the Talk of the Town Award. This award was created to showcase companies that excel in serving their customers by determining the highest-rated and top-reviewed businesses in all 50 states.

Everybody looks forward to the thanksgiving feast. The turkey, the pies, and the celebration!

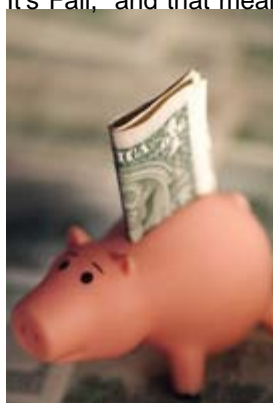

However, this season of thanksgiving is incomplete without taking a moment to reflect on all the things we are grateful for.

Please take a moment to share with us what you're most thankful for this year by visiting our Blog and writing a response.

Sharing your comments will enter you in our contest to win the Miley Cyrus autographed Guitar on December 25th.

It's Fall, and that means it's the perfect time for families to evaluate their Medical or Flex Spending Account balances (also known as a MSA or FSA). Money in these types of accounts is normally "use it or lose it" and you'll want to make sure you've fully used all of your available funds or benefits before the end of 2010.

If you are currently in orthodontic treatment with us, we are able to accept additional payments, in any amount, within your companies guidelines to assist you in clearing out your 2010 Flexible or Medical Spending Account. These early payments will simply be deducted from your next scheduled contract payments.

If you are not currently in treatment, we wanted to remind you that orthodontic treatment is an acceptable future expense for reimbursement from your MSA or FSA. Contact us today to schedule a complimentary exam or to set up appointments to start treatment so you can plan for the funds you would like to set aside in your account for 2011.

If you have any questions please contact our Patient Accounts Manager, Michele, at 913-469-9723 or at michele@fryorthodontics.com.
